WHERE LEARNING
BECOMES AN ADVENTURE

Head of School - Jake Imrie
jimrie@stbarnabasm.com

Dear All,

MR IMRIE'S NEWS

This week, children have published the final versions of the stories that they have been working on for the last few weeks. Please come in and have a read! Children are now focussing on learning a non-fiction text and will be planning, editing and producing their own piece of non-fiction writing by the end of next week.

Next week, we will assess every child's learning to track the progress that has been made so far this term. These assessments will also allow us to set individual targets for every child which will be shared with you during our parent/ teacher consultations taking place after the half term break.

The cross-country race due to take place today has been postponed due to the weather. This event will now be taking place next Friday 19th October at Great Trethew. Please let Debbie know if you are unable to still offer lifts.

Make sure you keep a look out for the Downderry Bake-Off posters around the village. This event will be taking place on Saturday 3rd November, 10.00am-12.00 noon in the Downderry Village Hall.

Have a lovely weekend,

Jake & The St Nics team.
