A message from Mr Imrie

Dear Parents,

It's a shorter week for children this week- school is closed to pupils tomorrow for staff training. Teachers will be in school undertaking training led by renowned speaker Tom Bennett, who is a highly respected advisor on behaviour and behaviour policies in UK schools. We look forward to finding out lots of new strategies to enhance and further improve the learning experience for your children in school.

Yesterday, I attended the Christian Ethos committee meeting where Heads, members of the Diocese, Board members and more shared good practise and ideas for developing and enhancing the Christian Ethos of our Church of England Schools. I am excited to tell you that we will be taking part in two projects with the Diocese; a Pilgrimage adventure and the opportunity for some older children to take on a leadership role, supporting the Diocese with their vision for Education.

We are planning a school 'Grounds Afternoon' during half term- We are after a group of parents who wouldn't mind coming into school on Wednesday 28th October to grab a paintbrush and help with some painting around the playground (and a few other jobs!) Can you help? Tea, coffee and a pasty provided! If you can help, please let us know- iimrie@stbarnabasmat.com More the merrier! Take
