

PSHE/RSE Long term plan- St Barnabas MAT- Year B

Programme B	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1/2	What makes a good friend? (Year 2)	Who is special to us? (Year 1)	What jobs do people do? (Year 2)	What helps us to stay safe? (Year 2)	What helps us stay healthy? (Year 1)	How can we look after each other and the world? (Year 1)
Year 3/4	What strengths, skills and interests do we have? (Year 4)	What keeps us safe? (Year 3)	What are families like? (Year 3)	How will we grow and change? (Year 4)	How can our choices make a difference to others and the environment? (Year 4)	Why should we keep active and sleep well? (Year 3)
Year 5/6	How can we keep healthy as we grow? (Year 6)	What decisions can people make with money? (Year 5)	How can the media influence people? (Year 6)	How can we help in an accident or emergency? (Year 5)	What jobs would we like? (Year 5)	What will change as we become more independent? How do friendships change as we grow? (Year 6)

Relationships

Health and Wellbeing

Living in the Wider World

Half Term/ Key Question Year 1/2	In this unit, pupils will learn. . .
Autumn 1 What makes a good friend? (Year 2)	<ul style="list-style-type: none"> • how to make friends with others • how to recognise when they feel lonely and what they could do about it • how people behave when they are being friendly and what makes a good friend • how to resolve arguments that can occur in friendships • how to ask for help if a friendship is making them unhappy
Autumn 2 Who is special to us? (Year 1)	<ul style="list-style-type: none"> • that family is one of the groups they belong to, as well as, for example, school, friends, clubs • about the different people in their family / those that love and care for them • what their family members, or people that are special to them, do to make them feel loved and cared for • how families are all different but share common features – what is the same and different about them • about different features of family life, including what families do/ enjoy together • that it is important to tell someone (such as their teacher) if something about their family makes them feel unhappy or worried
Spring 1 What jobs do people do? (Year 2)	<ul style="list-style-type: none"> • how jobs help people earn money to pay for things they need and want • about a range of different jobs, including those done by people they know or people who work in their community • how people have different strengths and interests that enable them to do different jobs • how people use the internet and digital devices in their jobs and everyday life

<p>Spring 2</p> <p>What helps us to stay safe? (Year 2)</p>	<ul style="list-style-type: none"> • how rules and restrictions help them to keep safe (e.g. basic road, fire, cycle, water safety; in relation to medicines/ household products and online) • how to identify risky and potentially unsafe situations (infamiliar and unfamiliar environments, including online) and take steps to avoid or remove themselves from them • how to resist pressure to do something that makes them feel unsafe or uncomfortable, including keeping secrets • how not everything they see online is true or trustworthy and that people can pretend to be someone they are not • how to tell a trusted adult if they are worried for themselves or others, worried that something is unsafe or if they come across something that scares or concerns them
<p>Summer 1</p> <p>What helps us stay healthy? (Year 1)</p>	<ul style="list-style-type: none"> • what being healthy means and who helps help them to stay healthy (e.g. parent, dentist, doctor) • that things people put into or onto their bodies can affect how they feel • how medicines (including vaccinations and immunisations) can help people stay healthy and that some people need to take medicines every day to stay healthy • why hygiene is important and how simple hygiene routines can stop germs from being passed on • what they can do to take care of themselves on a daily basis, e.g. brushing teeth and hair, hand washing
<p>Summer 2</p>	<ul style="list-style-type: none"> • how kind and unkind behaviour can affect others; how to be polite and courteous; how to play and work co-operatively • the responsibilities they have in and out of the classroom • how people and animals need to be looked after and cared for

How can we look after each other and the world?
(Year 1)

- what can harm the local and global environment; how they and others can help care for it
- how people grow and change and how people's needs change as they grow from young to old
- how to manage change when moving to a new class/year group

Half Term/ Key Question Year 3/4	In this unit, pupils will learn. . .
<p>Autumn 1</p> <p>What strengths, skills and interests do we have? (Year 4)</p>	<ul style="list-style-type: none"> • how to recognise personal qualities and individuality • to develop self-worth by identifying positive things about themselves and their achievements • how their personal attributes, strengths, skills and interests contribute to their self-esteem • how to set goals for themselves • how to manage when there are setbacks, learn from mistakes and reframe unhelpful thinking
<p>Autumn 2</p> <p>What keeps us safe? (Year 3)</p>	<ul style="list-style-type: none"> • how to recognise hazards that may cause harm or injury and what they should do to reduce risk and keep themselves (or others) safe • how to help keep their body protected and safe, e.g. wearing a seatbelt, protective clothing and stabilizers • that their body belongs to them and should not be hurt or touched without their permission; what to do and who to tell if they feel uncomfortable • how to recognise and respond to pressure to do something that makes them feel unsafe or uncomfortable (including online) • how everyday health and hygiene rules and routines help people stay safe and healthy (including how to manage the use of medicines, such as for allergies and asthma, and other household products, responsibly) • how to react and respond if there is an accident and how to deal with minor injuries e.g. scratches, grazes, burns • what to do in an emergency, including calling for help and speaking to the emergency services

<p>Spring 1</p> <p>What are families like? (Year 3)</p>	<ul style="list-style-type: none"> • how families differ from each other (including that not every family has the same family structure, e.g. single parents, same sex parents, step-parents, blended families, foster and adoptive parents) • how common features of positive family life often include shared experiences, e.g. celebrations, special days or holidays • how people within families should care for each other and the different ways they demonstrate this • how to ask for help or advice if family relationships are making them feel unhappy, worried or unsafe
<p>Spring 2</p> <p>How will we grow and change? (Year 4)</p>	<ul style="list-style-type: none"> • about puberty and how bodies change during puberty, including menstruation and menstrual wellbeing, erections and wet dreams • how puberty can affect emotions and feelings • how personal hygiene routines change during puberty • how to ask for advice and support about growing and changing and puberty
<p>Summer 1</p> <p>How can our choices make a difference to others and the environment? (Year 4)</p>	<ul style="list-style-type: none"> • how people have a shared responsibility to help protect the world around them • how everyday choices can affect the environment • how what people choose to buy or spend money on can affect others or the environment (e.g. Fairtrade, single use plastics, giving to charity) • the skills and vocabulary to share their thoughts, ideas and opinions in discussion about topical issues • how to show care and concern for others (people and animals) • how to carry out personal responsibilities in a caring and compassionate way
<p>Summer 2</p> <p>Why should we keep active and</p>	<ul style="list-style-type: none"> • how regular physical activity benefits bodies and feelings • how to be active on a daily and weekly basis - how to balance time online with other activities

sleep well? (Year 3)

- how to make choices about physical activity, including what and who influences decisions
- how the lack of physical activity can affect health and wellbeing
- how lack of sleep can affect the body and mood and simple routines that support good quality sleep
- how to seek support in relation to physical activity, sleep and rest and who to talk to if they are worried

<p>Half Term/ Key Question Year 5/6</p>	<p>In this unit, pupils will learn. . .</p>
<p>Autumn 1</p> <p>How can we keep healthy as we grow? (Year 6)</p>	<ul style="list-style-type: none"> • how mental and physical health are linked • how positive friendships and being involved in activities such as clubs and community groups support wellbeing • how to make choices that support a healthy, balanced lifestyle including: <ul style="list-style-type: none"> » how to plan a healthy meal » how to stay physically active » how to maintain good dental health, including oral hygiene, food and drink choices » how to benefit from and stay safe in the sun » how and why to balance time spent online with other activities » how sleep contributes to a healthy lifestyle; the effects of poor sleep; strategies that support good quality sleep » how to manage the influence of friends and family on health choices • that habits can be healthy or unhealthy; strategies to help change or break an unhealthy habit or take up a new healthy one • how legal and illegal drugs (legal and illegal) can affect health and how to manage situations involving them • how to recognise early signs of physical or mental ill-health and what to do about this, including whom to speak to in and outside school • that health problems, including mental health problems, can build up if they are not recognised, managed, or if help is not sought early on

	<ul style="list-style-type: none"> • that anyone can experience mental ill-health and to discuss concerns with a trusted adult • that mental health difficulties can usually be resolved or managed with the right strategies and support
<p>Autumn 2 What decisions can people make with money? (Year 5)</p>	<ul style="list-style-type: none"> • how people make decisions about spending and saving money and what influences them • how to keep track of money so people know how much they have to spend or save • how people make choices about ways of paying for things they want and need (e.g. from current accounts/savings; store card/ credit cards; loans) • how to recognise what makes something 'value for money' and what this means to them • that there are risks associated with money (it can be won, lost or stolen) and how money can affect people's feelings and emotions
<p>Spring 1 How can the media influence people? (Year 6)</p>	<ul style="list-style-type: none"> • how the media, including online experiences, can affect people's wellbeing – their thoughts, feelings and actions • that not everything should be shared online or social media and that there are rules about this, including the distribution of images • that mixed messages in the media exist (including about health, the news and different groups of people) and that these can influence opinions and decisions • how text and images can be manipulated or invented; strategies to recognise this • to evaluate how reliable different types of online content and media are, e.g. videos, blogs, news, reviews, adverts • to recognise unsafe or suspicious content online and what to do about it • how information is ranked, selected, targeted to meet the

	<p>interests of individuals and groups, and can be used to influence them</p> <ul style="list-style-type: none"> • how to make decisions about the content they view online or in the media and know if it is appropriate for their age range • how to respond to and if necessary, report information viewed online which is upsetting, frightening or untrue • to recognise the risks involved in gambling related activities, what might influence somebody to gamble and the impact it might have • to discuss and debate what influences people's decisions, taking into consideration different viewpoints
<p>Spring 2</p> <p>How can we help in an accident or emergency? (Year 5)</p>	<ul style="list-style-type: none"> • how to carry out basic first aid including for burns, scalds, cuts, bleeds, choking, asthma attacks or allergic reactions • that if someone has experienced a head injury, they should not be moved • when it is appropriate to use first aid and the importance of seeking adult help • the importance of remaining calm in an emergency and providing clear information about what has happened to an adult or the emergency services
<p>Summer 1</p> <p>What jobs would we like? (Year 5)</p>	<ul style="list-style-type: none"> • that there is a broad range of different jobs and people often have more than one during their careers and over their lifetime • that some jobs are paid more than others and some may be voluntary (unpaid) • about the skills, attributes, qualifications and training needed for different jobs

	<ul style="list-style-type: none"> • that there are different ways into jobs and careers, including college, apprenticeships and university • how people choose a career/job and what influences their decision, including skills, interests and pay • how to question and challenge stereotypes about the types of jobs people can do • how they might choose a career/job for themselves when they are older, why they would choose it and what might influence their decisions
<p>Summer 2 What will change as we become more independent? How do friendships change as we grow? (Year 6)</p>	<ul style="list-style-type: none"> • that people have different kinds of relationships in their lives, including romantic or intimate relationships • that people who are attracted to and love each other can be of any gender, ethnicity or faith; the way couples care for one another. • that adults can choose to be part of a committed relationship or not, including marriage or civil partnership • that marriage should be wanted equally by both people and that forcing someone to marry against their will is a crime • how puberty relates to growing from childhood to adulthood • about the reproductive organs and process - how babies are conceived and born and how they need to be cared for • that there are ways to prevent a baby being made² • how growing up and becoming more independent comes with increased opportunities and responsibilities • how friendships may change as they grow and how to manage this • how to manage change, including moving to secondary school; how to ask for support or where to seek further information and advice regarding growing up and changing
